SARC Data & Internet Access

The statistical information disclosed in this report is obtained from the California Department of Education and the Barstow Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in 12/2008. Those to prepare the school facilities section were acquired in 11/2008.

Principal's Message

Hinkley Elementary/Middle School's staff is committed to implementing an intensive, balanced, standards-based curriculum to ensure each child's success. This annual report card to the community will share valuable information about our instructional programs, academic achievements, school facilities and safety, highly qualified staff, textbooks, and finances compared to other schools and districts in the state.

A special emphasis is placed on providing an instructional program designed to boost student confidence and increase subject matter proficiency. Staff and parents work together to create a learning environment that has high expectations, promotes students' academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and its program and welcome all to support our efforts.

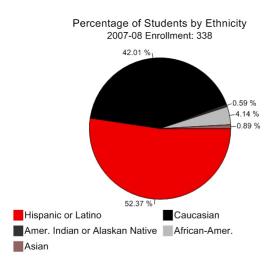

Stop by and see us anytime!

Mission Statement

Our mission is to bring each student to a proficient or advanced level in each of their grade-level content standards. To accomplish our mission, we believe that students must also learn individual responsibility, how to work together in diverse groups, and the values of good citizenship. We further believe that education must take place in a safe, crime-free environment with zero tolerance for weapons, drugs, and gang activity.

School Profile

Hinkley Elementary/Middle School is located in the central region of Hinkley serves students in kindergarten through eight following a traditional calendar. At the beginning of the 2007-08 school year, 338 students were enrolled, including 11% in special education, 35% qualifying for English Language Learner support, and 74% qualifying for free or reduced price lunch. Elementary/Middle Hinkley achieved a 2008 Academic Performance Index (API) score of 757 and met all 2008 Adequate Yearly Progress criteria.

Student Achievement

California English Language Development Test

State law requires schools to give the California English Language Development Test (CELDT) to students in grades kindergarten through twelve whose home language is not English. The test identifies new students as English learners, monitors their progress in learning English, and helps determine if they have achieved proficiency in the English language.

Standardized State Assessments

Students at Hinkley Elementary/Middle School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with those of other students in the state who took the same test. The STAR is comprised of the California Standards Tests (CST), Aprenda 3, and the California Alternative Performance Assessment (CAPA).

The CST aids in determining the level of individual proficiency required by the state. CAPA is administered to students with significant disabilities who are not able to take the CST. For more information on the STAR Program, please visit http://star.cde.ca.gov/.

California Standardized Tests (CST)

The California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level.

The CST tables in this report illustrate the percentage of students achieving Proficient and Advanced levels. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CST tables, no students met subgroup criteria. Detailed results by grade level for each student group can be obtained from the California Department of Education's website http://star.cde.ca.gov.

Physical Fitness

In the spring of each year, Hinkley Elementary/Middle School is required by the state to administer a physical fitness test to all students in grade five and grade seven. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone."

Upon completion of the 2007-08 fitness exam, 16% of the grade five students and 12.5% of the grade seven students were in the "healthy fitness zone". Comparative District and state results can be found at the CDE's Website www.cde.ca.gov/ta/tg/pf/.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's

standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2007-08 AYP cycle, elementary and middle schools must achieve a 35.2% or higher proficiency rate in English/Language Arts and 37% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2007-08

Math	Yes	Yes
Percent Proficient (CS	ST Exam)	
Language Arts	Yes	No
Math	Yes	No
API Score 620 or Increase API by 1 point	Yes	Yes
Graduation Rate	N/A	No

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2007-08, Hinkley Elementary/Middle School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program

3

Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through school newsletters, flyers, the school marquee, and school calendars. Contact the school office at (760) 253-5514 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and supervision. Elementary/Middle School's original facilities were built in 1951; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

Resurfaced playgrounds

Every morning before school begins, the custodians inspect facilities for safety hazards

or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Hinkley Elementary/Middle School. The day custodian is responsible for:

- Groundskeeping
- Cafeteria Cleanup/Setup
- Office Area Cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Restroom Cleanup
- Office Area Cleaning
- Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1951
	Quantity
Permanent Classrooms	18
Restrooms (student use)	5
Libraries	1
Cafeteria/Multipurpose Rooms	1

Deferred Maintenance

Hinkley Elementary/Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2007-08 school year, Hinkley Elementary/Middle School received a portion of \$369,198 in deferred maintenance funds.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and parking lot guard are strategically assigned to designated entrance areas and the playground. The principal and noon supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and teachers monitor student behavior to ensure a safe and orderly departure.

Hinkley Elementary/Middle School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Hinkley Elementary/Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187

requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed by school staff in August 2008 and updated in August 2008. Staff responsibilities and safety plan updates were discussed with staff in August 2008.

Classroom Environment

Instructional Time

All instructional time offered at Hinkley Elementary/Middle School either meets or exceeds California's Education Code requirements. For the 2007-08 school year, Hinkley Elementary/Middle School offered 180 days of instruction comprised of 140 regular days and 40 modified days. Modified days were used for parent conferences and professional development.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

	Instructional Minutes 2007-08	3
Grade Level	Actual Minutes Offered	State Requirement
K	58,200	36,000
1-3	55,500	50,400
4-8	59,860	54,000

Discipline & Climate for Learning

Hinkley Elementary/Middle School's discipline policies are based upon a school wide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Hinkley Elementary/Middle School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

At the beginning of the school year, school rules, disciplinary policies, and behavioral expectations are shared with students in the classroom by their teacher. Students are reminded throughout the school year of their individual responsibility to make good choices in behavior at friday assemblies.

Administrators and teachers reinforce students demonstrating good citizenship, positive behavior, and student achievement on a weekly basis. Hinkley Elementary/Middle School sponsors the following behavioral incentive: Student of the Month. Academic honors include Honor Roll and Citizen Scholar Awards.

Extracurricular and enrichment programs held after school promote academic achievement

and create increased interest in school. Hinkley Elementary/Middle School offers GATE (Gifted & Talented Education), Field Trips, Band, and Dances.

Suspen	sions & Exp	oulsions			
		HEMS			
	05-06	06-07	07-08

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Hinkley Elementary/Middle School revolve around the California State Content Standards and Frameworks. Professional development activities support adoption of new curriculum and implementation of new programs. Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. During the 2007-08 school year, Hinkley Elementary/Middle School held two (2) staff development days devoted to:

- Data analysis
- Instructional strategies
- Rosetta Stone
- Compass Learning
- Unwrapping Standards
- Student Discipline

Hinkley Elementary/Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Hinkley Elementary/Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 14, 2008, the Barstow Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution # 11--2008-2009 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to the core subject areas, districts are required to disclose in their SARCs the

sufficiency of instruction materials used for health, foreign language, and visual/performing arts curricula. During the 2008-09 school year, Barstow Unified School District certifies that each student, including English learners, enrolled in a health, foreign language, and/or visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

School Leadership

Hinkley Elementary/Middle School's principal works closely with the leadership team and school staff in providing a well-balanced, standards-based curriculum. Principal Dennis Hirsch is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the principal is the Leadership Team, comprised of the principal and teacher representatives. The Leadership Team meets regularly throughout the year to discuss operational and curricular issues and address staff development needs.

Principal Dennis Hirsch has been in the educational field for 23 years and serving Hinkley Elementary/Middle School for 13 years (as of 2007-08). Previous positions held in other schools include: assistant principal and classroom teacher. Principal Dennis Hirsch holds a bachelor's degree in History, a master's degree in Education, a Clear Single Subject Teaching Credential and a Clear Administrative Services Credential.

Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. The instructional program is structured so that all students receive

instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 8 who have been identified as academically gifted through district-administered assessments. Students receive differentiated instruction from class teacher. Instruction is provided by teachers who are GATE Trained.

For students whose primary language is not English and who have limited English proficiency, Hinkley Elementary/Middle School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners are clustered in the class room by language fluency level to receive differentiated instruction from class teacher. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. Some students may receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided in the classroom by home room teacher with bilingual aide support. Hinkley Elementary/Middle School's teachers utilize the EL component of Houghton Mifflin and Hampton Brown's Avenues series, a state-approved reading intervention program textbook adoption. Hinkley and Elementary/Middle School monitors progress of English Learners on a regular basis and adjusts instruction to meet the current individual learning levels. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

Hinkley Elementary/Middle School's special education program is staffed by special education teachers. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a and curriculum comprehensive mainstreamed into the general education class with small group and individualized instruction in-class and in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Hinkley Elementary/Middle School takes advantage of the district's participation in the Desert/Mountain Special Education Local Plan Area (SELPA), which provide a pool of professional resources and expertise in the field of special education.

Hinkley Elementary/Middle School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results,

district benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- · Afterschool Tutoring
- Resource Program
- Compass Learning Computer Program

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Professional Staff

Substitute Teachers

Hinkley Elementary/Middle School occasionally experiences difficulties finding substitute teachers to fill vacancies. On those occasions when a substitute teacher is not available, the absent teacher's class is separated and students are placed in a classroom of the same grade level to received instruction by a fully credentialed teacher.

Substitutes are available through a county pool that is comprised primarily of aspiring teachers, retirees, and teachers holding a 30-day substitute permit. Substitutes must have:

- A bachelor's degree
- Passed the CBEST (California Basic Education Skills Test)

Teacher Evaluations

Evaluation procedures and criteria for Hinkley Elementary/Middle School's teachers are defined in the district's collective bargaining agreement. Evaluation criteria are based on the California Standards of the Teaching Profession:

- Engaging and Supporting All Students in Learning
- Creating and Maintaining Effective Environments for Student Learning
- Understanding and Organizing Subject Matter for Student Learning
- Planning Instruction and Designing Learning Experiences for All Students
- Assessing Student Learning
- Developing as a Professional Educator

Temporary and probationary teachers are evaluated twice annually; permanent/tenured teachers are evaluated once every year. Tenured teachers whose previous evaluations either met or exceeded standards may be evaluated at least every five years if agreed upon by the teacher and school principal. Evaluations are conducted by the principal,

who has been trained and certified to perform teacher evaluations.

Teachers whose evaluations do not meet specific evaluation criteria, as outlined in the collective bargaining agreement, are required to prepare an improvement plan in collaboration with the school administrator; teacher's evaluations are conducted annually until a satisfactory evaluation is obtained. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Counseling & Support Staff

Hinkley Elementary/Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Hinkley Elementary/Middle School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2007-08			
	No. of Staff	FTE	
Counselor	1	0.1	
Health Aide*	1	0.1	
Library Technician	1	1.0	
Psychologist*	1	0.1	
Speech/Language/Hearing Specialist*	1	0.1	

*as needed FTE = Full-Time Equivalent

Teacher Assignment

During the 2007-08 school year, Hinkley Elementary/Middle School had 16 teachers who met all credential requirements in accordance with state guidelines. All of Hinkley Elementary/Middle School's teachers supplement their regular credential with a credential to teach English language learners.

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California and teaching credential, demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low

poverty schools are those schools that are in the lowest quartile of program participation.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and

budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2006-07 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2006-07				
	BUSD	State Average of Districts in Same Category		
Beginning Teacher Salary	\$37,175	\$39,692		
Mid-Range Teacher Salary	\$57,097	\$62,830		
Highest Teacher Salary	\$78,351	\$80,472		
Superintendent Salary	\$135,864	\$166,547		
Average Principal Salaries:				
Elementary School	\$87,435	\$98,460		
Percentage of General Fund Expenditures for:				
Teacher Salaries	39.2%	40.2%		
Administrative Salaries	5.7%	5.8%		

Expenditures Per Student

For the 2006-07 school year, Barstow Unified School District spent an average of \$7,786 of total general funds to educate each student (based on 2006-07 audited financial statements and in accordance with calculations defined in Education §41372). The table in this report 1) compares the school's per pupil expenditures from and unrestricted (basic) restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at CDE website the http://www.cde.ca.gov/ds/fd/ec/ http://www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Barstow Unified School District receives state and federal categorical funding for special programs. For the 2006-07 school year, the district received categorical, special education, and support programs funds for:

- Cal-SAFE
- · Community Based Tutoring
- Economic Impact Aid
- English Language Acquisition Program,
- Teacher Training & Student Assistance
- Gifted & Talented
- High Priority Schools
- Instructional Materials
- Peer Assistance & Review
- Pupil Retention Grant
- Regional Occupation Centers and Programs
- School Improvement Program
- School Safety
- · School & Library Improvement Block Grant
- Special Education

- Special Education Transportation
- Staff Development
- Targeted Instruction Improvement Grant
- Title ITitle II
- Title III Limited English Proficient
- Title IV
- Title V Innovative Education Strategies
- Tobacco Use and Prevention Education
- Vocational and Applied Technology
