Principal's Message

I invite you to explore Crestline School's Annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing program improvement.

Crestline School's staff is committed to implementing an intensive, balanced, standard-based curriculum to ensure each child's success. A special emphasis is placed on providing an instructional program designed to boost student confidence and increase academic proficiency. Staff and parents work together to create a learning environment that has high expectations for all students, promotes students' academic and social development, teaches responsibility and pride, and models learning as a lifelong skill.

We have made a commitment to provide the best educational program possible for our students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

School Vision

Our staff fosters all students' academic success and self esteem through teacher collaboration, which will be centered around skills-based, scaffolded instruction. We envision a school in which our learning community:

- *Unites to achieve a common purpose and clear SMART goals
- *Work together in collaborative teams
- *Seek to implement innovative strategies for improving academic success
- *Monitor each student's progress through frequent data analysis and communication
- *Demonstrate a commitment to the academic success and well-being of all students

School Profile

Crestline Elementary School is located in the southeastern region of Barstow and serves students in grades kindergarten through four following a traditional calendar. At the beginning of the 2008-09 school year, 304 students were enrolled, including 6% in special education, 20% qualifying for English Language Learner support, and 81% qualifying for free or reduced price lunch. Crestline Elementary School achieved a 2009 Academic Performance Index (API) score of 766 and met all 2009 Adequate Yearly Progress criteria.

Percentage of Students by Ethnicity
2008-09 Enrollment: 304

Hispanic or Latino	44.41 %
African-Amer.	28.95 %
Caucasian	18.75 %
Pacific Islander	2.96 %
Amer. Indian or Alaskan Native	2.30 %
Filipino	1.97 %
Multiple/No Response	0.66 %

Student Achievement

National Assessment of Educational Progress (NAEP)

NAEP is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in math, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and math are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English Language Learners (ELL) are reported based on three levels (identified, excluded, and assessed).

In the following table, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Barstow Unified School District or Crestline Elementary School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the NAEP web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE NAEP web page at <http://www.cde.ca.gov/ta/tg/nr/>.

National Assessment of Educational Progress - State of California Student Performance Levels Reading 2007 & Math 2009 Grades Four & Eight

Fourth Grade	79%	84%	96%	94%
Eighth Grade	85%	78%	96%	92%

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment

(CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Social Science						

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Due to the moderate number of students tested, and in order to protect confidentiality, fitness scores are not disclosed for Crestline Elementary School.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	-	-	-
Seventh	-	-	-
Ninth	-	-	-

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2006	2007	2008
Statewide Rank	2	1	3
Similar Schools Rank	1	1	3

Results generated from 2006, 2007, and 2008 Base API Reports

Results generated from 2007, 2008, and 2009 Growth API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine

whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, elementary and middle schools must achieve a 46% or higher proficiency rate in all subgroup populations for English/Language Arts and 47.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 650 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2008-09		
<i>Did the school and district meet or exceed 2009 AYP performance criteria in each of the areas listed below?</i>		
AYP Indicator	CES	BUSD

<i>Participation Rate</i>		
Language Arts	Yes	Yes
Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	Yes	No
Math	Yes	No
API Score	Yes	Yes
Graduation Rate	N/A	No

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Crestline Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through school newsletters, the school marquee, and parent conferences. Contact the school office at (760) 252-5121 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Crestline Elementary School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Crestline Elementary School. The day custodian is responsible for:

- Restroom Cleaning
- Office Area Cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Restroom Cleaning
- Office Area Cleaning
- Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Deferred Maintenance

Crestline Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Crestline Elementary School received a portion of \$316,119 in deferred maintenance funds for the repair and/or maintenance of:

- Interior/Exterior Painting
- Floor Systems

Facilities Inspection

The district's maintenance department inspects Crestline Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Crestline Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, September 28, 2009. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2008-09, all restrooms were fully functional and available for student use.

Rating Description
Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, crossing guards, and teachers are strategically assigned to designated entrance areas and the playground. The principal and noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and teachers monitor student behavior to ensure a safe and orderly departure.

Crestline Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Crestline Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2009.

Classroom Environment

Discipline & Climate for Learning

Crestline Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	CES		
	06-07	07-08	08-09
Suspensions (#)	62	27	36
Suspensions (%)	16.99 %	8.79 %	11.84 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %

Suspensions (#)	1057	999	
Suspensions (%)	27.01 %	26.41 %	
Expulsions (#)	18	15	
Expulsions (%)	0.46 %	0.40 %	

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Crestline Elementary School revolve around the California State Content Standards and Frameworks. During the 2008-09 school year, Crestline Elementary School held two staff development days devoted to:

- Data Analysis
- Instructional Strategies
- "Failure is not an Option"

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Crestline Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend		
2006-07	2007-08	2008-09
2	2	2

Instructional Materials

All textbooks used in the core curriculum at Crestline Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's

most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 13, 2009, the Barstow Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #11-2009-2010 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Barstow Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Crestline Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Crestline Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2008-09

Health Clerk	1	0.5
Psychologist	1	*
Speech Para Educator	1	*
Speech Therapist	1	*
Counselor	0	0.0

* as needed
FTE = Full-Time Equivalent

Teacher Assignment

During the 2008-09 school year, Crestline Elementary School had 17 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2007-08 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2007-08		
	BUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$37,175	\$40,917
Mid-Range Teacher Salary	\$57,097	\$64,688
Highest Teacher Salary	\$78,351	\$82,849
Superintendent Salary	\$135,864	\$176,845
Average Principal Salaries:		
Elementary School	\$87,435	\$102,130
Percentage of General Fund Expenditures for:		
Teacher Salaries	38.1%	40.3%
Administrative Salaries	6%	5.9%

Expenditures Per Student

For the 2007-08 school year, Barstow Unified School District spent an average of \$8,121 of total general funds to educate each student (based on 2007-08 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Barstow Unified School District receives state and federal categorical funding for special

programs. For the 2007-08 school year, the district received categorical, special education, and support programs funds for:

- Arts & Music Block Grant
- CA High School Exit Examination
- CA School-Age Families Education Program (Cal-SAFE)
- California Peer Assistance & Review Program for Teachers (CPARP)
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- High Priority Schools Grants Program
- Instructional Materials
- Lottery: Instructional Materials
- Professional Development Block Grant
- Pupil Retention Block Grant
- Regional Occupation Centers and Programs (ROC/P)
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12

SARC Data

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Crestline Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to API, AYP, STAR results, enrollment, and staffing.

Public Internet Access Location

Parents may access Crestline Elementary School's SARC and access the internet at any of the county's public libraries. The closest public library to Crestline Elementary School is Barstow Branch Library, a branch of San Bernardino County Library.

Address: 304 E. Buena Vista, Barstow
Phone Number: (760) 256-4850
WebSite: <http://www.sbcounty.gov/library/home/>
Number of Computers Available: 16

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Barstow Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in January 2010.
