Principal's Message School Vision School Profile Student Achievement Parent Involvement School Facilities & Maintenance Classroom Environment Curriculum & Instruction Professional Staff District Expenditures SARC Data

Principal's Message

Thomson Elementary School's staff is committed to implementing an intensive, balanced, standards-based curriculum to ensure each child's success. This annual report card to the community will share valuable information about our instructional programs, academic achievements, school facilities and safety, highly qualified staff, textbooks, and finances compared to other schools and districts in the state.

Parents are invited to work together with our dedicated staff to create a safe learning environment that has high expectations, promotes students academics and social development, teaches responsibility and pride as we model lifelong learning. We are excited about our school and its programs and welcome all to support our efforts.

School Vision

Thomson School staff is committed to providing a rich learning community so that students will:

Academic:

- Receive standards based instruction daily
- Participate in ongoing assessments that drive their instruction Social:
- · Learn and practice social skills throughout the school environment
- Participate in activities that promote school pride
- Recognize and respect cultural, ethnic, and individual differences
 Environment:
- Follow classroom and school rules
- Practice and experience equality and respect for each other
- Recognize and respect diversity
- Work with the school community to create a safe environment Health:
- Attend school regularly and punctually
- Receive information to prevent and resolve health issues
- Dress according to the District Dress Code
- Family Involvement:
- · Meet with parents and teachers to discuss their progress
- Participate with their families in school related activities

School Profile

Thomson Elementary School is located in the central region of Barstow and serves students in grades kindergarten through six following a traditional calendar. At the beginning of the 2009-10 school year, 365 students were enrolled, including in special education, 15% 8% qualifying for English Language Learner support, and 82% qualifying for free or reduced price lunch. Thomson Elementary School achieved a 2010 Academic Performance Index (API) score of 810.

Student Enrollment by Ethnicity / Grade Level 2009-10					
Ethnic Group	%	Grade Level	#		
African-Amer.	30.14 %	Kindergarten	58		
Amer. Indian or Alaskan Native	3.01 %	Grade 1	65		
Asian	1.10 %	Grade 2	54

Multi-Racial	1.10 %				
		Total Enrollment	365		

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at http://star.cde.ca.gov. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. The 2009-2010 data was not available at the time this publication was prepared.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2009-10					
	Number of Standards Met:				
Grade Tested	Four of Six	Five of Six	Six of Six		
Fifth					
Seventh					
Ninth					

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in all subgroup populations for English/Language Arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2009-10

Did the school and district meet or exceed 2010 AYP performance criteria in each of the areas listed below?

AYP Indicator	TES	BUSD

Participation Rate		
Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
Language Arts	No	No
Math	Yes	No
API Score	Yes	Yes
Graduation Rate	N/A	Pending

Reported data based upon performance of all subgroups for each of the areas listed $% \left({{{\left[{{{\rm{s}}_{\rm{c}}} \right]}}} \right)$

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Thomson Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through parent conferences, the school marquee, school newsletters, and teacher newsletters. Contact the school office at (760) 255-6150 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Thomson Elementary School's original facilities were built in 1954; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the school campus was repainted.

Every morning before school begins, custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Thomson Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Thomson Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Thomson Elementary School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Thomson Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Thomson Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, September 20, 2010. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Overall Summary of School Facilitiy Good Repair Status					
Exemplary Good Fair Poor					
	~				

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiences are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, teachers, and noon supervisors are strategically assigned to designated entrance areas and the playground. The principal and noon supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal and teachers monitor student behavior to ensure a safe and orderly departure.

Thomson Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Thomson Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2010.

Classroom Environment

Discipline & Climate for Learning

Thomson Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions				
	TES			
	07-08	08-09	09-10

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Thomson Elementary School revolve around the California State Content Standards and Frameworks. During the 2009-10 school year, Thomson Elementary School held two staff development days devoted to:

- Data Analysis
- Instructional Strategies
- Direct Interactive Instruction
- Pacing Guides and Grade Level Meetings
- English Language Professional Development Training
- SB472 Math Training Grades K-5
- SB472 Math Algebra Training 6th Grade

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student Thomson Elementary School supports achievement levels. ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2009-10 school year, Thomson Elementary School's teachers attended the following events hosted by the Barstow Unified School District:

- SB472 Instructional Material Training
- English Learner Professional Development
- Direct Interactive Instruction
- Grade Level Collaboration

Thomson Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Thomson Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 28, 2010, the Barstow Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #13-2010-2011 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2010-11 school year, Barstow Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

Professional Staff

Counseling & Support Staff

Thomson Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff

at Thomson prnia Content s are selected ased materials district follows Counselor Health Clerk Psychologist

portion (50%) of the week.

* as needed FTE = Full-Time Equivalent

Teacher Assignment

During the 2009-10 school year, Thomson Elementary School had 20 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

to Thomson Elementary School's students. Full-time equivalent

(FTE) is a standard measurement used to identify an employee's

regular work load on a weekly basis. For example, an FTE of 1.0

designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2008-09				
	BUSD	State Average of Districts in Same Category		
Beginning Teacher Salary	\$37,175	\$41,209		
Mid-Range Teacher Salary	\$57,097	\$65,228		
Highest Teacher Salary	\$78,351	\$83,339		
Superintendent Salary	\$135,864	\$179,589		
Average Principal Salaries:				
Elementary School	\$87,435	\$103,189		
Percentage of General Fund Expenditures for:				
Teacher Salaries	39%	40.7%		
Administrative Salaries	6.2%	5.9%		

Expenditures Per Student

For the 2008-09 school year, Barstow Unified School District spent an average of \$8,146 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Barstow Unified School District receives state and federal categorical funding for special

programs. For the 2008-09 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- Arts & Music Block Grant
- CA High School Exit Examination
- CA School-Age Families Education Program (Cal-SAFE)
- California Instructional School Garden
- California Peer Assistance & Review Program for
- Teachers(CPARP)
- Community-Based Tutoring Grants
- Economic Impact Aid (EIA)
