Principal's Message

Please allow me to welcome you to Barstow Junior High School's Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Barstow Junior High School provides an environment where every child will receive necessary tools to become an academically successful student, a socially responsible citizen, and a lifelong learner in a safe and secure academic setting. All students are actively engaged in twenty-first century standards; all students are cognizant of district measurements and progress monitoring vehicles. Via Professional Learning Communities, Barstow Junior High School's ongoing evaluation of best instructional practices using researched based efforts continues to improve upon a three year effort that has produced a 150 point Academic Performance Index increase.

With the ongoing community support and overwhelming parent participation, Barstow Junior High School will continue to promote and foster partnerships and maximize a variety of resources in an effort to reach the gold standard of an 800 API.

School Vision

All students are actively engaged in twenty-first century standards as measured by district progress monitoring approaches consistent with Common Core State Standards (CCSS).

Parents and community are encouraged to actively participate in the education of their children.

Interventions and enrichment are built into master schedule and additional after school opportunities provided to meet the changing needs of students.

Barstow Junior High School's decision making practices are based on collaborative and research based efforts.

Barstow Junior High School will devote all of its resources and efforts towards reaching the gold standard of an 800 API.

MISSION:

Our mission is to educate every child to be an academically successful student, a socially responsible citizen, and a lifelong learner. By ensuring a safe and secure environment, students will have the opportunity to receive the necessary knowledge and skills to achieve success. With an appreciation for cultural diversity, we will create a school that will foster excellence, mutual respect, creativity, and the joy of learning, with an effective, caring, innovative staff, in partnership with home and community.

School Profile

Barstow Junior High School is located in the eastern region of Barstow and serves students in grades seven through eight following a traditional calendar. At the beginning of the 2012-13 school year, 752 students were enrolled, including 14% in special education, 18% qualifying for English Language Learner support, and 74% qualifying for free or reduced price lunch. Barstow Junior High School achieved a 2013 Academic Performance Index (API) score of 765.

Student Enrollment by Ethnicity / Grade Level 2012-13			
Ethnic Group	%	Grade Level	#
African-Amer.	17.70%	Grade 7	365
Amer. Indian or Alaskan Native	1.70%	Grade 8	387
Asian	1.30%		
Filipino	0.50%		
Hisp. or Latino	52.20%		
Pacific Islander	1.40%		
Caucasian	22.00%		
Multi-Racial	3.20%		
Total Enrollment			752

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2013 STAR Program Summary Results to the Public guide at <http://star.cde.ca.gov/star2013/>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Barstow Junior High School			District			California		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13

Social Science	35	40	39	42	14	34	7	*	

Physical Fitness

In the spring of each year, Barstow Junior High School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2012-13			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Seventh	26.2%	19.9%	42.3%

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2010	2011	2012
Statewide Rank	4	5	4
Similar Schools Rank	5	7	4

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2012-13 AYP cycle, elementary and middle schools must achieve a 89.2% or higher proficiency rate in all subgroup populations for English/Language Arts and 89.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 770 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2012-13		
<i>Did the school and district meet or exceed 2013 AYP performance criteria in each of the areas listed below?</i>

Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	No	No
Math	No	No
API Score	Yes	Yes
Graduation Rate	N/A	Yes

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use

federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2012-13, Barstow Junior High School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through newsletters, the school marquee, the school website, and Infinite Campus (automated telephone messages). Contact Leticia Ortiz at (760) 255-6204 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Barstow Junior High School's original facilities were built in 1964 and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Painting of classroom doors
- Installation of surveillance cameras throughout the campus
- Replacement of glass in the main administration office
- Addition of rocks and shrubs to the lower end of the parking lot
- Addition of peep holes to all classroom doors for safety
- Addition of parking space to the front of the school
- Painting of planters
- Painting of stage area

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Barstow Junior High School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Groundskeeping
- Multipurpose room cleanup
- Gymnasium cleanup
- Locker room cleanup
- Securing campus

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Gymnasium	1
Multipurpose Room	1

Deferred Maintenance

Barstow Junior High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2012-13 school year, Barstow Junior High School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Barstow Junior High School on an annual basis in accordance with Education Code §17592.72(c)(1). Barstow Junior High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, December 26, 2013. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2012-13, all restrooms were fully functional and available for student use.

Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, campus monitors, and teachers on duty patrol the campus, entrance areas, and designated common areas. Administrators, the custodian, campus monitors, counselors, and a school resource officer monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, teachers, and campus monitors monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Barstow Junior High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Barstow Junior High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in May 2013.

Classroom Environment

Discipline & Climate for Learning

Barstow Junior High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	BJHS		
	10-11	11-12	12-13
Suspensions (#)	294	206	336
Suspensions (%)	37.50 %	26.65 %	44.68 %
Expulsions (#)	11	14	9
Expulsions (%)	1.40 %	1.81 %	1.20 %
	BUSD Middle Schools		
	10-11	11-12	12-13
Suspensions (#)	359	206	336
Suspensions (%)	32.23 %	26.96 %	44.68 %
Expulsions (#)	11	14	9
Expulsions (%)	0.99 %	1.83 %	1.20 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Barstow Junior High School revolve around the California State Content Standards and Frameworks. During the 2012-13 school year, Barstow Junior High School held staff development devoted to:

- Data Analysis
- Professional Learning Communities
- Direct Interactive Instruction
- Schoolwide Interventions
- Common Core State Standards Instructional Strategies and Curriculum

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Barstow Junior High School supports ongoing professional growth throughout the year on early release days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2012-13 school year, Barstow Junior High School's teachers attended the following events hosted by the Barstow Unified:

- Common Core State Standards
- EL Program 2 Training

Barstow Junior High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend

0	0	1

Instructional Materials

All textbooks used in the core curriculum at Barstow Junior High School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 10, 2013, the Barstow Unified's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #4 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2013-14 school year, Barstow Unified provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Barstow Junior High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Barstow Junior High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2012-13		
	No. of Staff	FTE
Counselor	2	2.0
Health Clerk	1	1.0

Library Technician	1	1.0
Nurse	1	*
Psychologist	1	*
Speech/Language/Hearing Specialist	1	*

* as needed

Counselor-to-Student Ratio: 1:376

FTE = Full-Time Equivalent

Teacher Assignment

During the 2012-13 school year, Barstow Junior High School had 32 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2012-13		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Barstow Junior High School	73.7 %	26.3 %

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2011-12 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2011-12		
	BUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$37,175	\$40,928
Mid-Range Teacher Salary	\$57,097	\$64,449
Highest Teacher Salary	\$78,351	\$82,826
Superintendent Salary	\$138,000	\$183,968
Average Principal Salaries:		
Middle School	\$89,623	\$109,253

Teacher Salaries	37%	40%
Administrative Salaries	6%	6%

Expenditures Per Student

For the 2011-12 school year, Barstow Unified School District spent an average of \$7,974 of total general funds to educate each student (based on 2011-12 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Barstow Unified School District receives state and federal categorical funding for special programs. For the 2011-12 school year, the district received categorical, special education, and support programs funds for:

- Economic Impact Aid (EIA)
- Lottery: Instructional Materials
- Special Education
- Title I
- Title II
- Title III
- Transportation
- Transportation: Special Education
- Vocational Programs
- Education Jobs Fund
- Medi-Cal Billing Option
