San Bernardino City Unified School District is an Express Mail Delivery member, but comes to the Roy C Hill Education Center to pick up their materials.

Additional clients include SBCSS personnel at the Roy C Hill Education Center, Brier Facility, Mt. View and ROP sites, Desert/Mountain and West End Educational Service Centers, Special Education sites, Alternative Education sites, JPA and the Support Center.

GUIDELINES FOR ADDRESSING

Express Mail Delivery Services volume continues to increase at a remarkable rate. Staff is committed to meet your needs and expectations, however, we need your help to expedite all deliveries. For prompt Schools Express Delivery Service, we must at a minimum have the following information:

1. District Name
2. School Name
3. Recipient's Name

If you are using a recycled envelope, please be sure that the old names and addresses are blocked out (on both sides of the envelope) and that you clearly write a complete address.

CAUTION: Several school sites have the same name. Be sure to give complete addresses to determine the appropriate final destination. For example, there are five schools that start with **YUCCA** and three schools with **CYPRESS** in the title.

GUIDELINES FOR USING EXPRESS MAIL DELIVERY SERVICE

Deliveries of mail and other correspondence are made daily to a centralized location at each participating district. We respectfully ask for a *single designated area* at each site to deliver and pick up your mail. Asking the drivers to spend additional time going elsewhere causes delays for the next client.

We ask your cooperation allowing our drivers to have ready access to your established delivery/pickup point. At times when additional materials are transported, it may be necessary to use boxes or manila folders in addition to the courier bag. On scheduled days of heavy delivery (such as payrolls, correspondence between the districts and the county, etc.) offices will be limited to one courier bag. If you have large packages for pick up, please notify Pablo Arechavaleta, (909) 382-3575, so arrangements can be made for our driver to pick up the materials.

The County Superintendent of Schools internal pick up and distribution of mail will continue to be handled through our mail room at the Roy C Hill Education Center.

Employees may NOT send personal items in the Express Mail Delivery Service that would normally be delivered by the U.S. Postal Service. Also, no outside group or organization shall place materials in the Express Mail Delivery Service bag for inter-district distribution. The use of the delivery in this manner would constitute a violation of the Federal Law.

Please share this information with your school sites and anyone else utilizing our service. Any questions should be directed to Ralph Alba at (909) 382-3560. We appreciate your cooperation and effort in making Express Mail Delivery Service as efficient as possible.
